### Voice of the Child tools

Our multi-agency audit looking at the Voice of the Child highlighted the need for practitioners to have more tools which could help them to capture the Voice of the Child. These tools have been developed and tested with some schools within Solihull and are now live on the SSCP website for practitioners across any agency to use. The tools can all be found [here](#). If you have any suggestions for other tools or any additional feedback, let us know by emailing [sscp@solihull.gov.uk](mailto:sscp@solihull.gov.uk).

### SSCP Training 2024-25

Our full multi-agency training programme is now live for 2024/25. Our training courses cover a range of topics and themes and include up to date research and learning from local and national CSPRs as well as learning from audits. The full training programme can be found [here](#).

### Exploitation and Missing Team Briefings

**The Exploitation and Missing Team (EMT) will be hosting briefings in the Loft (Bluebell Centre, West Mall, Chelmsley Wood Shopping Centre, Solihull, B37 5TN) on 16/07/24 from 2pm until 5pm.**

These briefings will explore the role of the EMT including information about our exploitation screening tool (EST), our exploitation hub and our Multi Agency Adult and Child Exploitation (MAACE) meetings. We will also discuss the role of our daily exploitation duty workers, our missing triage (MT) meetings and Return Home Conversations (RHC). This will be an opportunity for teams to ask any queries and have an update on changes in the team, including our group sessions we are hosting in schools.
